Disability Assistance Grant (Minors)

The DAG for Minors was introduced in the 2019 Budget, to be implemented by the Ministry of the People, Social Development and Family Services. This provision allows minors with a disability to access this service at a fixed rate of \$1,500 per month. This grant is payable where the assessment of a minor is either severe or complete and where the disability is permanent in nature.

Such certification shall come from a Paediatrician or other medical practitioner (Public Health) authorized by the Chief Medical Officer for this purpose or from a Paediatric Specialist (Private Practitioner) registered with the Medical Board of Trinidad and Tobago. This new provision will allow children with a disability to access this service at a fixed rate of \$1,500 per month.
